

WHOLE SUN PROJECT Kick-off Meeting

WholeSun project Kick-Off Meeting 27-29th May 2019

Venue: Department of Astrophysics of CEA Paris-Saclay, Bat 709 at Orme des Merisiers site.

URL: <http://irfu.cea.fr/dap/>

- If you are in Anthony the easiest for you is to take RER B, direction Massy-Palaiseau or Saint-Rémy les chevresues.

Then two options:

- if your RER ends in Massy-Palaiseau, you take bus 91.06 that will take you to our lab.
- if it continues, it works best to drop off at 'Le Guichet' and take bus 9. The bus station is a bit hidden, you can follow the flow typically many people are going there.

In both cases, you can drop off at 'Orme des Merisiers'. Then you just have to cross the bus road and go through the door in the fence.
